React Native | Expo | Reanimated | React Native Skia | Gesture Handler | React.js | Next.js | Remix.js | Node.js | Express.js | OpenCV (Assistant Api's, Whisper) | PostgreSQL | GraphQL | WebRTC | Firebase | WebSocket | Socket.io | Jest, Flipper, Reactotron | Fastlane | Push Notifications (Notifee) | Github Actions | Deep Linking | CI/CD | Native Modules Integration (IOS & Android) | Redux | React Context API | MMKV storage

PROFESSIONAL EXPERIENCE

Mailmunch, *Senior Software Engineer* 09/2023 – Present | Remote

- **Shopbae** is an AI-powered shopping platform that helps users discover, compare, and purchase products across multiple retailers. The app provides personalized product recommendations, price comparison, smart price-drop alerts, stock availability notifications, and wishlist management to simplify the online shopping experience. (<https://shopbae.com> )
- **Fofo – AI Save & Organize** is an AI-powered digital memory and bookmarking platform that enables users to save content from social media, websites, videos, articles, and other sources. The app automatically categorizes saved content, generates AI-powered insights, and provides intelligent search capabilities for quick content retrieval. (<https://www.getfofo.com> )
- **PairStreak** is a private social app designed for couples to strengthen their connection through a daily photo-sharing ritual. Users exchange one photo per day, maintain shared streaks, receive reminders, and build a private timeline of memories together. (<https://www.pairstreak.com> )

Experts Cloud Private Limited

07/2022 – 09/2023 | Lahore, Pakistan
